

IDAHO TERM LIMITS POLL: EXECUTIVE SUMMARY

US Term Limits survey conducted Jan 2-6, 2025 by RMG Research Group.
510 Registered Voters in ID participated in the survey.

A large majority (81%) of Idaho voters approve placing term limits on Congress. 74% of voters say they favor having lawmakers who support a call for an amendment proposal convention to enact congressional term limits. Additionally, 74% of voters state that they would be more likely to vote for a candidate for state legislature who supports implementing term limits for members of Congress.

Do you approve or disapprove of placing term limits on members of Congress?

The U.S. Constitution authorizes state legislatures to call for a convention to recommend Constitutional amendments. Two-thirds of states would have to agree before any action could be taken. Would you favor or oppose having Idaho call for an amendment proposing convention to enact congressional terms limits?

At present the Idaho state legislature does NOT have term limits on itself. If your state legislator voted to place term limits on Congress through an amendment proposing convention, would that make you more likely or less likely to vote for your state legislator?
